Do Good While Doing Good Business! LCI Silent Auction to Support the Future of Construction

Supporting Texas' Future Construction Leaders

Proceeds from the Silent Auction benefit the [TEXO Foundation](#), a Texas-based 501(c)(3) organization dedicated to developing the next generation of construction professionals. Through initiatives focused on youth, college, and community outreach, the Foundation builds school pipelines, partners with colleges offering accredited construction programs, and promotes workplace excellence with community trainings and panels. Their mission is to educate, recruit, train, and retain future leaders in construction.
