

BUILDING CHAMPIONS: CONSTRUCTING THE GAME PLAN FOR LEAN SUCCESS

27th Annual LCI Congress

October 20–24, 2025 | Arlington, Texas

The must-attend event for Lean training, learning, collaboration, and innovation!

Join owners, designers, general contractors, trade partners, and Lean professionals as we come together to share ideas, tackle challenges, and explore cutting-edge solutions that are driving Lean transformation across the design and construction industry. Whether you're a seasoned expert or just beginning your Lean journey, there's something for you!

Why Attend?

Inspiring Keynotes:

Hear from Jesse Itzler and Chris Voss

Hands-on Learning:

Participate in workshops, and real-world case studies

Networking Opportunities:

Connect with over 1,600 industry professionals

Exhibit Hall:

Explore cutting-edge solutions and technologies

Add-on:

Learning Day, Golf Tournament and a Gemba site tour

Who Should Attend?

Owners, architects, designers, engineers, general contractors, trade partners, consultants, and anyone interested in Lean practices.
